What is the cost of plan management?

This is a free service to you. Payment for My Plan Support services will be claimed directly from NDIA from the Improved Life Choice budget. This claim consists of a set up fee and a monthly processing fee. *This monthly processing fee will cover the plan from the start date to the end date.*

Prices subject to change by NDIS pricing guide updates and remote or very remote locations. Increases to Plan Management fees will be automatically updated in accordance with the NDIS Price Guide
<https://www.ndis.gov.au/providers/price-guides-and-information>

If you engage My Plan Support part-way through your plan term we may withdraw the funding allocated for the plan term up to and including the month in which you engage us. This is to cover invoices that accumulate from services rendered prior to our engagement and will be processed by us after that date.

Budget Management

The Participant/nominated representative will provide My Plan Support with the details of their support budget as per their current NDIS plan. The Participant/nominated representative can nominate to share their plan with My Plan Support through the NDIS myplace portal.

Payment claims

Appointing My Plan Support to engage in plan management services provides the Participant/nominated representative the opportunity to choose between various providers for the support approved in the Participants current NDIS plan. My Plan Support will process claims in accordance with the NDIS pricing guide. Once these supports or services are delivered the provider or Participant/nominated representative will claim payment for those supports or services from My Plan Support Agency by forwarding invoices to accounts@myplansupport.com.au

GST - Goods and Services Tax

For the purposes of the GST Act, the parties confirm that:

- *a supply of supports under this Service Agreement is a supply of one or more of the reasonable and necessary supports specified in the statement included, under subsection 33(2) of the National Disability Insurance Scheme Act 2013 (NDIS Act), in the Participant's NDIS plan currently in effect under section 37 of the NDIS Act;*
- *My Plan Support Agency will pay GST as per specified in National Disability Insurance Scheme Act 2013 (NDIS Act).*

End Date - Ongoing Agreement

The Service Agreement will operate for the duration of time My Plan Support provides plan management services to the participant/NDIS nominated representative until we are notified otherwise in writing by the participant/NDIS nominated representative.

This will include the current and any future plans allocated to the Participant and extends to plan extensions, NDIA plan review changes and/or plan renewal.

My Plan Support will monitor your plan through the NDIS portal and notify you when adjustments are made for plan extensions or a new plan and budget have been set up. This ongoing agreement allows My Plan Support to continue to provide plan management services and process accounts from your providers, minimising disruption to services during these changes.

Ending this Service Agreement

Should either Party wish to end this Service Agreement they must give one month's notice in writing. If either Party seriously breaches this Service Agreement the requirement of notice will be waived.
